

Ground hogs by Areeb Rasul

2A

Did you know a ground hog can also be called a woodchuck or a whistle pig? Ground hogs are good swimmers because they are related to beavers. Ground hogs are vegetarians. Some enemies of a ground hog are foxes, hawks, dogs, and people. Humans don't like ground hogs because they make holes in your yard.

Did you know ground hogs
are in the same family?
Ground hogs are very famous
because on Feb. 2 they come
right out of their burrow
and if they see their shadow
6 more weeks of winter. But
if he doesn't see his shadow
that means early spring. This
year he saw his shadow I'm
sure because 6 more weeks
of winter.
